

Dear Applicant

Nicky's Drive is a registered non-profit organisation that seeks to assist people with physical disabilities within South Africa to be mobile and independent by providing funding for car adaptations. We are seeking applicants for whom obtaining car adaptations will enhance their work opportunities and general quality of life. Our committee meets quarterly to review applications for funding. Applications need to include the following information to be considered by our committee:

1. GENERAL APPLICATION REQUIREMENTS

- Personal details of the applicant (*please complete page 2 and sign our declaration on page 4*)
- Financial Disclosure (*copy of pay slip / bank account statement / SASSA grant*)
- Driving Assessment from an Occupational Therapist (*we can refer you to someone*). This assessment is essential to ensure that you have the physical and cognitive capacity to drive and what car adaptations are necessary.
- Proof of owning a vehicle / plan to obtain a vehicle (*fundraising, loan or other plan*). Vehicles with an automatic transmission are required for car adaptations.
- Quotation from a car adaptation specialist in South Africa for the adaptations required.
- Copy of South African ID.
- A copy of your driver's licence (*if the applicant does not yet have a driver's licence, then please provide a copy of your valid learner's licence*).

2. MOTIVATION FOR FUNDING (*see page 3 for guidelines*)

Please note that Nicky's Drive can only provide assistance with the cost of car adaptations fitted in South Africa (*up to a maximum value of R25 000*), not the purchasing of a vehicle.

Best wishes,

NICKY ABDINOR
CHAIRPERSON, NICKY'S DRIVE

GUIDELINES FOR WRITING A MOTIVATION LETTER FOR FUNDING

This motivational letter is your opportunity to describe in a structured manner why you deserve financial assistance from Nicky's Drive – how it will help you and what you will do to give back to the organisation/disabled community in general. Please include the following points in your motivation.

1. **Background:** Tell your story of living with a disability. What challenges have you faced? What have you overcome? How have you reached wherever you are in your life right now? What are you currently doing?
2. **The Future:** What are your plans for the future in terms of work opportunities, studies, family etc? How do you hope to reach those goals?
3. **Driving:** Currently, what is transportation like for you? How will the ability to drive help you reach your goals? What does driving mean to you?
4. **Vehicle Plan:** As Nicky's Drive does not fund the vehicle itself (only the adaptations), what plan have you made for obtaining a vehicle? How will you manage the maintenance costs of having a vehicle?
5. **Commitment to Nicky's Drive:** How will you be able to assist Nicky's Drive in the future (publicity, involvement in fundraising, etc)? Will you be willing to further the causes of people with disabilities?
